ENDUROCO PRESENTS THE **4X4 COASTER**

THE PERFECT SOLUTION FOR LARGE CAPACITY
PASSENGER TRANSPORTATION OPERATING IN TOUGH CONDITIONS

sales@enduroco.com // www.enduroco.com

FEATURES ▽

Available for LHD and RHD models, the EnduroCo 4WD Coaster bus provides a true 4x4 package with high and low range selection, a generous 180mm increase of lift with a raised GVM to 6400Kg.

BENEFITS ▽

Having passed both the International Lane Change and Slalom test, the EnduroCo 4x4 Coaster conversion has been designed, tested and manufactured to not only meet, but exceed the Australian Standards.

OPTIONS ▽

From a complete mine-spec built personnel transport solution to a truly capable offroad tourer; EnduroCo provides a host of optional additions to suit your application and requirements.
